# Visitor Handbook

Elmwood Libraries

# I N T R O D U C T I O N

Thank you for joining Elmwood Libraries, the library service for the Elmwood district and its four branch reading rooms. This handbook exists to answer the questions that come up most often in the first weeks on the job, and to set out, in one place, the policies every team is expected to follow. Read it once in full and keep it where you can find it again, because most questions about pay, leave, safety and conduct are answered somewhere in these pages, resulting in outstanding service and customer satisfaction.

Elmwood Libraries strives to provide a welcoming environment in which members and volunteers can grow a career rather than simply hold a job. Supervisors are expected to explain not just what a policy says but why it exists, and every employee is expected to raise a concern rather than guess at the answer.

## Mission

Elmwood Libraries provides the highest quality of service to its members with a commitment to excellence and integrity. We serve our customers with professionalism, and we respect each person we happen to meet along the way.

## Company History

Elmwood Libraries began as a single reading room and grew, over three decades, into a regional library service. The people who built that reputation are still the standard every new hire is measured against.

## Code of Conduct

Every employee is expected to act honestly, to treat colleagues and customers with respect, and to raise a concern through the proper channel rather than let it go unreported.
